ELDORADO STONE® INTRODUCES THE GEMSTONE™ WALLS COLLECTION

A Series of Attainable, Yet Stunning Transformations for Interior Spaces

(SAN MARCOS, CA – April 16, 2010) [Eldorado Stone](#), the world's most believable architectural stone veneer, introduces a world's first design innovation, [Gemstone Walls](#). The new collection of enduring transformations for interior spaces offers a fresh perspective on how to structure and combine elements to create distinctive masonry walls with architectural stone veneer.

Each *Gemstone Wall* illustrates the stunning transformation from ordinary to outstanding with before, after and step-by-step photography that showcases the foundation for a memorable space. Designs such as the *ArtWall™*, *CandleWall™*, *VinoWall™* and the most recently introduced, *EmberWall™* are carefully crafted to create an authentic masonry stone wall that is attainable, purposeful and most of all, believable.

- The [ArtWall](#) is a prime example of how simply a *Gemstone Wall* can be attained, but also demonstrate how the subtle textures of stone embraced with the photos of friends, family and memorable moments can transform a space. The *ArtWall* is ideal for entryways, hallways, home offices, libraries, master bedrooms and accent walls.
- The [CandleWall](#) provides a stunning and unique installation that creates depth, texture and movement with the subtle glow of candles. This design concept is best suited for any room where you want additional ambiance such as dining rooms, spa retreats and master bedrooms.
- The Tuscany inspired [VinoWall](#) presents the perfect combination of wine, stone and brick and helps recreate the essence and character of timeless Italy. The *VinoWall* is idea for dining rooms, kitchens, accent walls and wine cellars.
- The new [EmberWall](#) transforms a traditional fireplace into a sophisticated and dramatic architectural statement that is functional and purposeful with a contemporary look. To create a focal point for living rooms, dining rooms, family rooms, master bathrooms and master suites, the detailed [EmberWall Idea Book](#) recommends everything from stone and grout color to prepping the walls.
