Eldorado Adobe is the perfect material to give your project timeless Southwestern charm with the same quality and believability you’ve come to expect from Eldorado Stone. Shown: Solano CaminoAdobe with an overgrout technique.
Eldorado Brick isn’t simply a great building material; it’s a piece of history. Molded from centuries-old European dwellings, Eldorado Brick has distinct earthen textures, irregular size dimensions and comes in both traditional and design-forward colors. Eldorado Brick can help transform any space to your desired style whether it’s warm with historical heritage or creative with contemporary sophistication.

It’s the final details that make an ordinary project an extraordinary one, and Eldorado Stone Architectural Accents are no exception to this philosophy. Each accent has been created by hand to meticulously emphasize unique color hues and detailed sculptural characteristics…the essence of true masonry craftsmanship.

Ashlar Accents
Ashlar Accents have been sculpted to create uniform edge details. The consistent shape simplifies the installation process, while providing the characteristics and texture of natural stone. Available in Taupe, Earth, Smoke & Buckskin.

CraftShield™
CraftShield is a protective treatment that preserves the intended artistry and beauty of architectural stone veneer while safeguarding the surface from nature’s elements. Designed for use on concrete and most masonry surfaces including Eldorado Stone and Eldorado Brick veneer; CraftShield goes on wet and dries invisible to the eye. Its low odor and alkali-stable formula is ideal for both exterior and interior applications and offers 10-year Protection to help resist staining, spalling, cracking and other damage related to water intrusion. Gallon covers 150-200 sq. ft. of surface area.

Preserving the Art of Masonry. CraftShield is a protective treatment that preserves the intended artistry and beauty of architectural stone veneer while safeguarding the surface from nature’s elements.
Historically, masons have worked with natural stone to create unique accent pieces to finalize their projects. Chiseled Edge Accents feature a hand-dressed appearance with a uniform yet rustic detail. Available in Taupe, Earth, Smoke & Buckskin.

Because Eldorado Stone replicates natural stone, variations should, and can be expected. Even though colors in this brochure are as close to the actual stone as possible, photographic and printing techniques — and actual viewing conditions — can alter perception of color. It is recommended to obtain a sample of Eldorado Stone before placing an order.

If you would like more information on prices, availability of stone, the name of your local distributor, or answers to any questions not covered in this brochure, please contact us. We would be happy to assist you with your stone building plans. Detailed installation instructions, specifications, technical information and test data is available upon request.
